LEGAL DIVISION

The Legal Division of the Insurance Department performs several basic functions including, representation of the Department in administrative and court proceedings, providing legal advice to the Insurance Commissioner and Department staff members and assistance in promulgation of administrative regulations and enactment of statutes. Representation is provided by in-house counsel in cooperation with the Office of the Attorney General.

The activities of the Legal Division during calendar year 1984 were as follows:

ADMINISTRATIVE PROCEDURES

Disciplinary Actions Involving Insurance Companies

LEGISLATION

The West Virginia Legislature enacted the following legislation during the 1984 Legislative Session which affects, or has the potential to affect, the insurance industry and insurance consumers of West Virginia.

S.B. 66 - Contractual Relationships Between Insurers And Agents -- This bill provides that a property and casualty insurance company may terminate a captive agent who has been employed by that company for more than five (5) years only for "good cause" as defined in the statute. An agent who has been terminated by an insurer in violation of the statute has a cause of action against the insurer for specific performance, injunctive relief or for damages sustained as a result of the termination. Code sections affected: New Article 12A is added to Chapter 33. Effective date: June 6, 1984.

S.B. 425 - Promulgation Of Legislative Rule -- This bill authorized the Insurance Commissioner to promulgate a legislative rule governing the licensing and conduct of excess line brokers. Code section affected: New Section 64-2-33(2)(10). Effective date: March 10, 1984. (Please note, legislative rule itself becomes effective on July 1, 1984).

H.B. 1267 - Determination Of Rates On Dwellings -- This legislation provides that for purposes of determining premium rates for dwellings, commercial activity conducted by the insured shall not be considered unless conducted within the dwelling. Code section affected: New section 33-20-17. Effective date: May 28, 1984.

H.B. 1400 - Compulsory Motor Vehicle Liability Insurance -- This legislation made a number of changes in the existing compulsory motor vehicle liability insurance statute. Insurers are to notify the Department of Motor Vehicles of cancellation of a motor vehicle liability policy only when the cancellation is for one or more of the reasons specified in Section 33-6A-1(b)-(e). The period in which the insurer must notify the Department of Motor Vehicles of cancellation is now ten (10) days from the effective date of cancellation, as opposed to the previous five (5) day period. Insurers are not to notify the Department of Motor Vehicles of cancellation based upon non-payment of premiums. Insureds must be furnished a duplicate certificate of insurance as opposed to the single certificate required under the prior statute. Insureds are required to present a current and valid certificate of insurance at the time of the required annual motor vehicle safety inspection. Finally, the act specifies administrative procedures for the revocation of a motor vehicle registration based upon the registrant's failure to maintain a policy of liability insurance. Code sections affected: 17A-3-3, 17D-2A-4, 17D-2A-5, 17D-2A-6 and 17D-3-5. Effective date: March 8, 1984.

H.B. 1682 - Payment Of Premium Tax -- This legislation clarifies the language of Section 33-3-14c by providing that an insurer becomes subject to penalty for failure to timely pay premium tax on the day following the due date of the tax. The date of postmark of the premium tax return is established as the standard for determination of timely payment. Code section affected: 33-3-14c. Effective date: June 8, 1984.

H.B. 1919 - Investments By Insurance Companies -- This bill amends the investment provisions of the Insurance Code to take into account advances in the investment field. Code sections affected: 33-8-23, 33-8-24 and 33-8-25. Effective date: June 8, 1984.

OTHER BILLS OF INTEREST

S.B. 27 - Fire Prevention And Control Act -- This bill requires installation of smoke detectors in all one (1) and two (2) family dwellings by the owner of the dwelling on or before July 1, 1985. The act provides that non-compliance with the statute shall not constitute evidence of negligence or a defense in any proceeding involving an insurance policy. Code section affected: New section 29-3-16a. Effective date: June 7, 1984.

S.B. 62 - Natural Death Act -- This bill establishes procedures by which a person may provide for the withholding or withdrawal of life sustaining procedures if he or she is, or becomes, terminally ill. The act provides that withdrawal or withholding of life sustaining procedures does not constitute suicide, the crime of assisting suicide or impair or invalidate any life insurance policy. Persons may not be required to execute a declaration directing the withholding or withdrawal of life sustaining procedures as a condition to becoming insured or receiving health care services. Code sections affected: New Article 30 is added to Chapter 16. Effective date: June 4, 1984.

S.B. 171 - Uniform Condominium Act -- This legislation makes various changes in the present Uniform Condominium Act. Persons interested in the specific changes should review the bill. Code sections affected: 36B-1-101 to 36B-1-118. Effective date: June 5, 1984.

S.B. 263 - Emergency Medical Services Act -- This legislation establishes standards for the licensing and classification of emergency medical service (EMS) personnel and defines the services which may be performed by such personnel. The Office of Emergency Medical Services is established within the State Department of Health and the powers of the Office are defined. On and after July 1, 1985, all emergency medical service providers must have liability coverage in the amount not less than one hundred thousand dollars ($100,000.00) per occurrence. The act provides that no emergency medical service personnel or provider shall be liable for civil damages or injuries in excess of the amounts for which such provider or personnel are actually insured, unless the damages or injuries were intentionally or maliciously inflicted. Similar immunity is extended to any physician who gives instruction to EMS personnel without being compensated therefore or who treats any patient transported in an ambulance or treats any patient prior to such transport without compensation. Code sections affected: New Article 4C is added to Chapter 16. Effective date: June 8, 1984.

S.B. 697 - Hospice Licensure Act -- This legislation establishes licensing requirements for hospices in order to make available treatment for the physical, emotional and mental problems of the terminally ill and their families. Code sections affected: New Article 5I is added to Chapter 16. Effective date: June 8, 1984.

H.B. 1183 - New Motor Vehicle Warranties -- This legislation establishes consumers rights and manufacturers obligations with regard to the condition and fitness for use of new motor vehicles. Consumers remedies include a civil action and third party dispute resolution process through the Office of the Attorney General. Code section affected: New Article 6A is added to Chapter 46A. Effective date: June 8, 1984.

H.B. 1452 - Skiing Responsibility Act -- This bill defines the obligations and duties of ski area operators, skiers and aerial tramway passengers. Ski area operators are required to carry liability insurance in limits of not less than one hundred thousand dollars ($100,000.00) per person, three hundred thousand dollars ($300,000.00) per occurrence and ten thousand dollars ($10,000.00) for property damage. Ski area operators, skiers and aerial tramway passengers are made liable for injury, loss or damage resulting from violations of their respective duties as set forth in this statute. Code section affected: New Article 3A is added to Chapter 20. Effective date: June 8, 1984.

H.B. 1479 - Fees For Service Of Process -- This legislation concerns the fees charged by the Secretary of State for acceptance of service of process upon resident corporations, certain nonresident corporations, unlicensed insurers, limited partnerships, nonresident motorists and other nonresident having certain contacts with this State. Persons interested in the specifics of this legislation should review the bill itself. Code sections affected: 33-1-15, 33-4-13, 47-9-26A, 56-3-31, 56-3-33. Effective date: June 8, 1984.

H.B. 1622 - Life Insurance Coverage For West Virginia Public Employees -- This legislation raises from $20,000.00 to $50,000.00 the amount of optional group life and accidental death insurance which public employees may purchase under the West Virginia Public Employees Insurance Act. In addition, public employees are now entitled to purchase life insurance coverage in specified amounts for the employees spouse and dependents. Code section affected: 5-16-7. Annual Meeting: Second Tuesday in April

WEST VIRGINIA POST-ASSESSMENT INSURANCE GUARANTY ASSOCIATION'S ANNUAL MEETING

The West Virginia Insurance Guaranty Association had its annual meeting on April 10th, 1984, with the meeting beginning at 9:30 a.m., at the Marriott Hotel in Charleston, West Virginia. In attendance were the Travelers Insurance Company, represented by John J. Baxter; Inland Mutual Insurance Company, represented by L. F. Norton; Municipal Mutual Insurance Company, represented by Edward R. Marks, Jr.; Aetna Life and Casualty, represented by Alan R. Marthinsen; State Farm Insurance Companies, represented by K. Don Waskom; Ohio Farmers Insurance Company, represented by R. D. Welsh; Nationwide Insurance Companies, represented by Glenn W. Soden; James E. Lane, Administrator; The Honorable Richard G. Shaw, Insurance Commissioner of the State of West Virginia; James C. Surratt, Assistant Insurance Commissioner; and Cheryl Davis, West Virginia Insurance Department attorney.

Chairman John J. Baxter called the meeting to order and introduced the representatives of the Insurance Department, and new directors Alan R. Marthinsen and Glenn W. Soden, representing Aetna Life and Casualty and Nationwide respectively. Insurance Commissioner Shaw reported on the status of domestic insurance companies in West Virginia, indicating that the Department was continuing to conduct examinations of West Virginia domestic companies, and that on an overall basis, the domestic insurers operationally had performed relatively well in the 1983 year, and that their annual statements generally reflect financial strengthening. Commissioner Shaw then expressed some concern relative to the financial status of the property casualty industry in view of the operational adversity of 1983; and Assistant Commissioner Surratt reported relative to the surveillance techniques being used by the West Virginia Insurance Department, primarily on the basis of the NAIC's IRIS tests.

Upon motion of Chairman Baxter, seconded by L. F. Norton, a reading of the minutes of the Association's 1983 annual meeting was dispensed with. Chairman Baxter tendered a draft for a 1984 report which could be given to member insurers, and after discussion, subject to possible editing in various areas which were to be considered during the course of this meeting, the draft report was approved. Secretary-Treasurer Norton reported relative to the auditors' report, the year end financial statement of the organisation, which report was supplemented by Administrator Lane. Each attendee was given a copy of Ernst and Whinney's audited financial statement. There was some discussion as to some differences between the data processing run information generated by the Association offices and the certified public accounting firm's report. It was explained that the Association's data processing reports show only pure loss or claim reserves, and Ernst-Whinney's report shows not only loss reserves but expense reserves for anticipated loss adjutment expense on such losses.

Chairman Baxter reported on activity during the year, and Administrator Lane reported relative to the internal management performed separately and jointly for the Ohio and West Virginia Associations, particularlly relative to the servicing arrangement between the two organisations and how expenses were allocated by and between both organisations. Reports covering the number of open losses, the activity of the Audit and Claims Committees, the technique of internal staff utilising time allocation sheets were considered and discussed. Administrator Lane reported that the Ohio Insurance Guaranty Association had recognised the staffing need for a minimum cadre of personnel in the Association despite somewhat lessened activity loads in recent months, in view of the ever present potential of insolvencies being discovered or declared, and the preparedness of having necessary technical knowledge personnel relative to the functioning of Guaranty Association work, indicating that should external conditions continue to indicate lessened activity, lay-offs relative to parttime personnel would be occurring.

Upon motion of Mr. Welsh, seconded by Mr. Marthinsen, which motion carried, the actions and activities of the board during the past year were ratified and approved.

There ensued a discussion relative to the agreement by and between the West Virginia Insurance Guaranty Association and the Ohio Insurance Guaranty Association, which discussion included Mr. Baxter's analysis (Exhibit A, attached) of the arrangement, and felt need of a resolution being made at this meeting reaffirming the present agreement and its terms. After dialogue on the subject, Mr. Baxter moved adoption of such resolution, which Mr. Norton seconded, and attached to these minutes is a resolution relative to continuation of such agreement until the next scheduled annual review. Upon being put to vote, such resolution was adopted, with one voting abstention, i.e. Mr. Glenn Soden of Nationwide (Mr. Soden serves as a member of the Ohio Guaranty Association).

A discussion relative to a Claim Audit Committee followed, and upon motion of Don Waskom, seconded by L. F. Norton, the board directed that directors Glenn Soden and Dick Welsh make, or select on the board's behalf, a Claims Committee from personnel of various member insurers to serve as members of the Claim Audit Committee. There followed a discussion relative to Association investment policy, and consideration of or the creation of an Investment Committee. Administrator Lane reported relative to some of the problems the NCIGF was having relative to formalized investment guidelines for Guaranty Associations, the difficulties of predicting cash flow, and the necessity for investment liquidity under any investment portfolio, and upon motion of Chairman Baxter, seconded by Mr. Norton, those present approved a concept of the Chairman's appointment of an Investment Committee not to exceed three persons, one person on such committee being the Secretary-Treasurer of the organization. A consensus opinion was that West Virginia banking arrangements be maintained. There next ensued a discussion relative to the need of an Audit Committee made of directors from the Association, with the purpose of coordinating the financial and operational statements of the Association in conjunction with the reports of Ernst and Whinney, and upon motion of Mr. Baxter, seconded by Mr. Welsh, the organization's Chairman was authorized to name such committee.

Chairman Baxter then called for a discussion regarding the level of funds currently held by the Association, the potentiality of a possible distribution or return of possibly deemed excess funds to member companies. Such discussion covered the status of the industry in the light of 1983 industry operational losses, the financial conditions which are generally prevailing in both the primary and reinsurance marketplace, the expense of administering a refund, if one were to be made, and upon motion of Don Waskom, seconded by Glenn Soden, the membership agreed to defer indefinitely any distribution or refund of possible excess funds regarding known insolvencies.

The nominations committee, chaired by Dick Welsh, moved the election of the following officers:

Don Waskom	Chairman
Ed Marks	Secretary-Treasurer
Glenn Soden	Assistant Chairman

There being no further nominees, those named were duly elected officers. Upon motion of Glenn Soden, seconded by Alan Marthinsen, the Secretary-Treasurer and Chairman of the organization were empowered by the directorship to change or modify by resolution the banking account records and types of banking investment accounts currently held by financial institutions on behalf of the organization, making the necessary changes in officer signature cards at such banking institution.

There being no further business, the meeting adjourned at approximately 12 p.m.

RATES AND FORMS DIVISION

In 1984, the Rates and Forms Division received and reviewed 28,082 rate and form filings; this is an increase of 1,651 (+6.3%) over 1983.

Property-Casualty filings account for 52% of the 1984 volume; Life, Accident & Sickness filings make up the remaining 48%.

A total of 6,233 filings were disapproved in 1984, with 4,383 life, accident & sickness disapprovals and 1,850 property-casualty disapprovals. The reason for the low volume in the property-casualty filings pertain to the new counting procedure for life, accident & sickness. These filings were not in compliance with the West Virginia laws and regulations.

MAJOR FILINGS

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1984. While many increases were granted, the Insurance Commissioner often granted amounts which were much less than requested because filers failed to adequately document their requests.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in cost of items for which insurance pays; a comparison of the CPI for December 1984 with December 1983 shows the following increases:

Auto maintenance and Repair	+3.2%
Medical Costs	+6.1%

State Farm Insurance Companies' Crash Parts Index declines -2.5% between January 1, 1984 and January 1, 1985.

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this area.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI changes occurring between December 1983 and December 1984:

Housing Costs	+4.2%
Housing Maintenance & Repair Costs	+2.7%
Household Furnishings	+0.5%
Lumber and Wood	-1.7%

(C) Health Insurance Rates: Continued quantum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison of December 1984 with December 1983 shows the following increases:

Physicians' Services	+6.0%
Medical Care Commodities	+7.6%
Hospital Room	+7.4%
Hospital & Medical Care Services	+7.8%

EXCESS LINES

(A) Section 33-12-10 of the West Virginia Code permits a licensed excess line broker to procure insurance from an unlicensed insurance company when it cannot, after diligent effort, be procured from any licensed company.

Following is a comparison of 1983 and 1984 excess line statistics:

	Calendar 1983	Calendar 1984	Percent Change
Total Number of Brokers	64	67	+ 4.7%
Number of Active Brokers	43	43	No Change
Written Premiums	$6,656.065.43	$5,949,270.22	-10.5%
Total Tax Liability	$ 399,363.93	$ 334,563.28	-16.2%
Number of Policy Affidavits	3921	3109	-20.7%

In 1984, this Department confirmed that $5,959,270.22 of written premiums were placed through the excess line markets in West Virginia by 43 of the 67 licensed excess line brokers. The total excess line tax liability for 1984 was $334,563.28. We received 3,109 excess line policy affidavits in 1984 as compared to 3,291 received in 1983.

The above figures represent the following percentage changes in 1984 totals compared with the 1983 totals; total number of brokers increased +4.7%; total number of active brokers remained the same; written premiums decreased -10.5%; total tax liability decreased -16.2%; and the number of policy affidavits decreased -20.7%.

A review of the 1984 Annual Statements showed $5,959,270.22 written premiums and $396,121.11 return premiums, with a total net premiums of $5,563,149.11.

CONSUMER SERVICE DIVISION

PURPOSE

The Consumer Service Division is comprised of Consumer Complaints and Agents Licensing. In addition to the Director of the Division, six (6) technical (5 in Complaints; 1 in Agents) and four (4) clerical (2 in Complaints; 2 in Agents) are employed in the division.

Consumer Complaints Section is responsible for the review of the facts surrounding each complaint received against an insurance company or an agent. It is the Division's objective to make certain the complainants are advised of and understand the handling of their claims and other insurance problems. The aim of the Division is to protect the citizens of West Virginia by attempting to ensure that all complaints are equitably resolved in a prompt and professional manner and in accordance with the West Virginia Insurance Laws.

The Agents Licensing Section has the supervision and control over the processing of applications for insurance licenses and the issuance of licenses to qualified agents. All agents licenses are renewed on a yearly basis.

GENERAL ACTIVITIES

Consumer Complaints Section

Complaint files are established through receipt of written inquiries and personal visits to the office from consumers and insurance industry, as well. A total of 3,361 written inquiries were made to the division in 1984 with walk-in clients numbering 820, and telephone activity accounting for 19,127 calls. Approximately 49% of the telephone inquiries were received on the "Toll-Free" line which has proven to be an invaluable service to the citizens of West Virginia.

Senior Citizen Seminars - Consumer Service Representatives visited forty-three (43) pre-scheduled locations throughout the state to discuss health insurance coverages, medicare supplements, and any additional insurance problems. The total attendance for these seminars was 2,493.
The locations this year were as follows:

- Beckley (2)
- Boone County
- Buckhannon
- Camden
- Charleston
- Clarksburg
- Cowen
- Cross Lanes
- Diana
- Dunbar
- Elizabeth
- Elkins

Media Releases - Complaint ratios were compiled and released for media distribution for the top 25 writers of automobile and homeowners insurance in West Virginia. The figures were based on the number of written complaints received by the department per 1,000 policies in force during calendar years 1981, 1982, and 1983.

Automobile premium rate comparison lists were released which illustrated semi-annual rates for the sixty-eight (68) insurers that underwrite approximately 99.6% of the private passenger automobile insurance in West Virginia.

Homeowners insurance premium comparisons were released which illustrated annual rates for seventy-four (74) insurance companies which underwrite 90.1% of all homeowners business produced in West Virginia.

The Federal Emergency Management Agency (FEMA) advised this department that 92.9% of properties eligible for flood insurance in West Virginia were not insured against flood damage. This department, in turn, notified West Virginia consumers of this fact in order to make property owners aware of the availability of flood insurance.

A press release notified the citizens of West Virginia that through the efforts of the Insurance Depatment's Consumer Service Division, approximately $1,750,000 was returned or paid to West Virginia Consumers during 1984. This money represents refund of premiums to West Virginia policyholders, or it was for the payment of claims unsettled either because of a dispute, delay or misunderstanding between the consumer and the insurance company at the time the Consumer Service Division was contacted.

Publications - This division has several publications which are available to consumers. A "Consumers Guide to Homeowners Insurance" was published in 1982. The "Consumers Guide to Automobile Insurance" was updated and available this year for distribution.

The National Flood Insurance Program has provided us with pamphlets containing general information to consumers on obtaining flood insurance.

The U.S. Department of Health and Human Services, in conjunction with the National Association of Insurance Commissioners, has made available a brochure entitled "Guide to Health Insurance for People with Medicare" which we use extensively in connection with the seminars as well as the day to day contacts with Senior Citizens.

Training Sessions - This department recognizes that there are numerous agencies on the federal, state, and local level which come in direct contact with the public. We, therefore, willingly participate in various workshops, conferences, committees, etc., which focus on potential problems and the possible solution to these problems for individuals who work with the public. Participation this year included several workshops sponsored by U.S. Department of Health and Human Services; attendance at a workshop for agents sponsored by the National Flood Insurance Program; Second Annual 3rd Congressional District Senior Convention sponsored by Congressman Robert Wise; Golden Mountaineer Senior Information Day; and Eastern Consumer/COCO National Conference.

Informal Meetings - During the course of the year this office held twenty-six (26) informal meetings with insurance companies and/or agents in instances where it appeared a problem was developing. These problems ranged from claim handling delay to misappropriation of monies.

Agents Licensing Section

As a result of activities pursued by the Consumer Complaints Section, eleven (11) agents licenses were effected as follows:

Fines	- 1	($500.00)
Revocations	- 7	(Misappropriation of Funds)
	1	(Failure to place coverage)
	2	(Submitted forged application)
Total	11	

The major transition in Agent Licensing in 1984 involved converting from batch job input to on-line submission of licenisng information. Prior to January 1984, all licensing data received on various applications was transposed onto data entry forms which were batched on a semi-weekly or sometimes only monthly basis, and keyed to tape by the ISSD division of Finance & Administration. Through constant contact with ISSD personnel and frequent coordination of the tapes and various job submission card decks, we produced volumes of print-outs.

The on-line system has enabled this department to maintain more accurate records and update agent information on a daily basis.
